Ivins City Staff Report
City Council Meeting 4/3/2014

Agenda Item: Approval of expenditure to direct purchase Center Street trail bollard lights

Submitted by: Charles R. Gillette, P.E., City Engineer

Recommended City Council Action:
Approve of expenditure to direct purchase Center Street trail bollard lights

BACKGROUND:
As discussed in previous council meetings, bollard lights are going to be purchased directly and a separate contract will be issued for installation. The bollard lights have a 90 day lead time for delivery, so the plan is to initiate the purchase now and then work on issuing the installation contract while waiting for delivery.

FINDINGS AND ANALYSIS:
As discussed in previous council meetings, the cost for an LED 2K bollard is $958 each and the plan is to purchase 64 for the proposed project plus two extra to keep in stock in case a bollard is damaged by an accident or similar issue.

SUPPORT MATERIALS:
- Project Concept Map

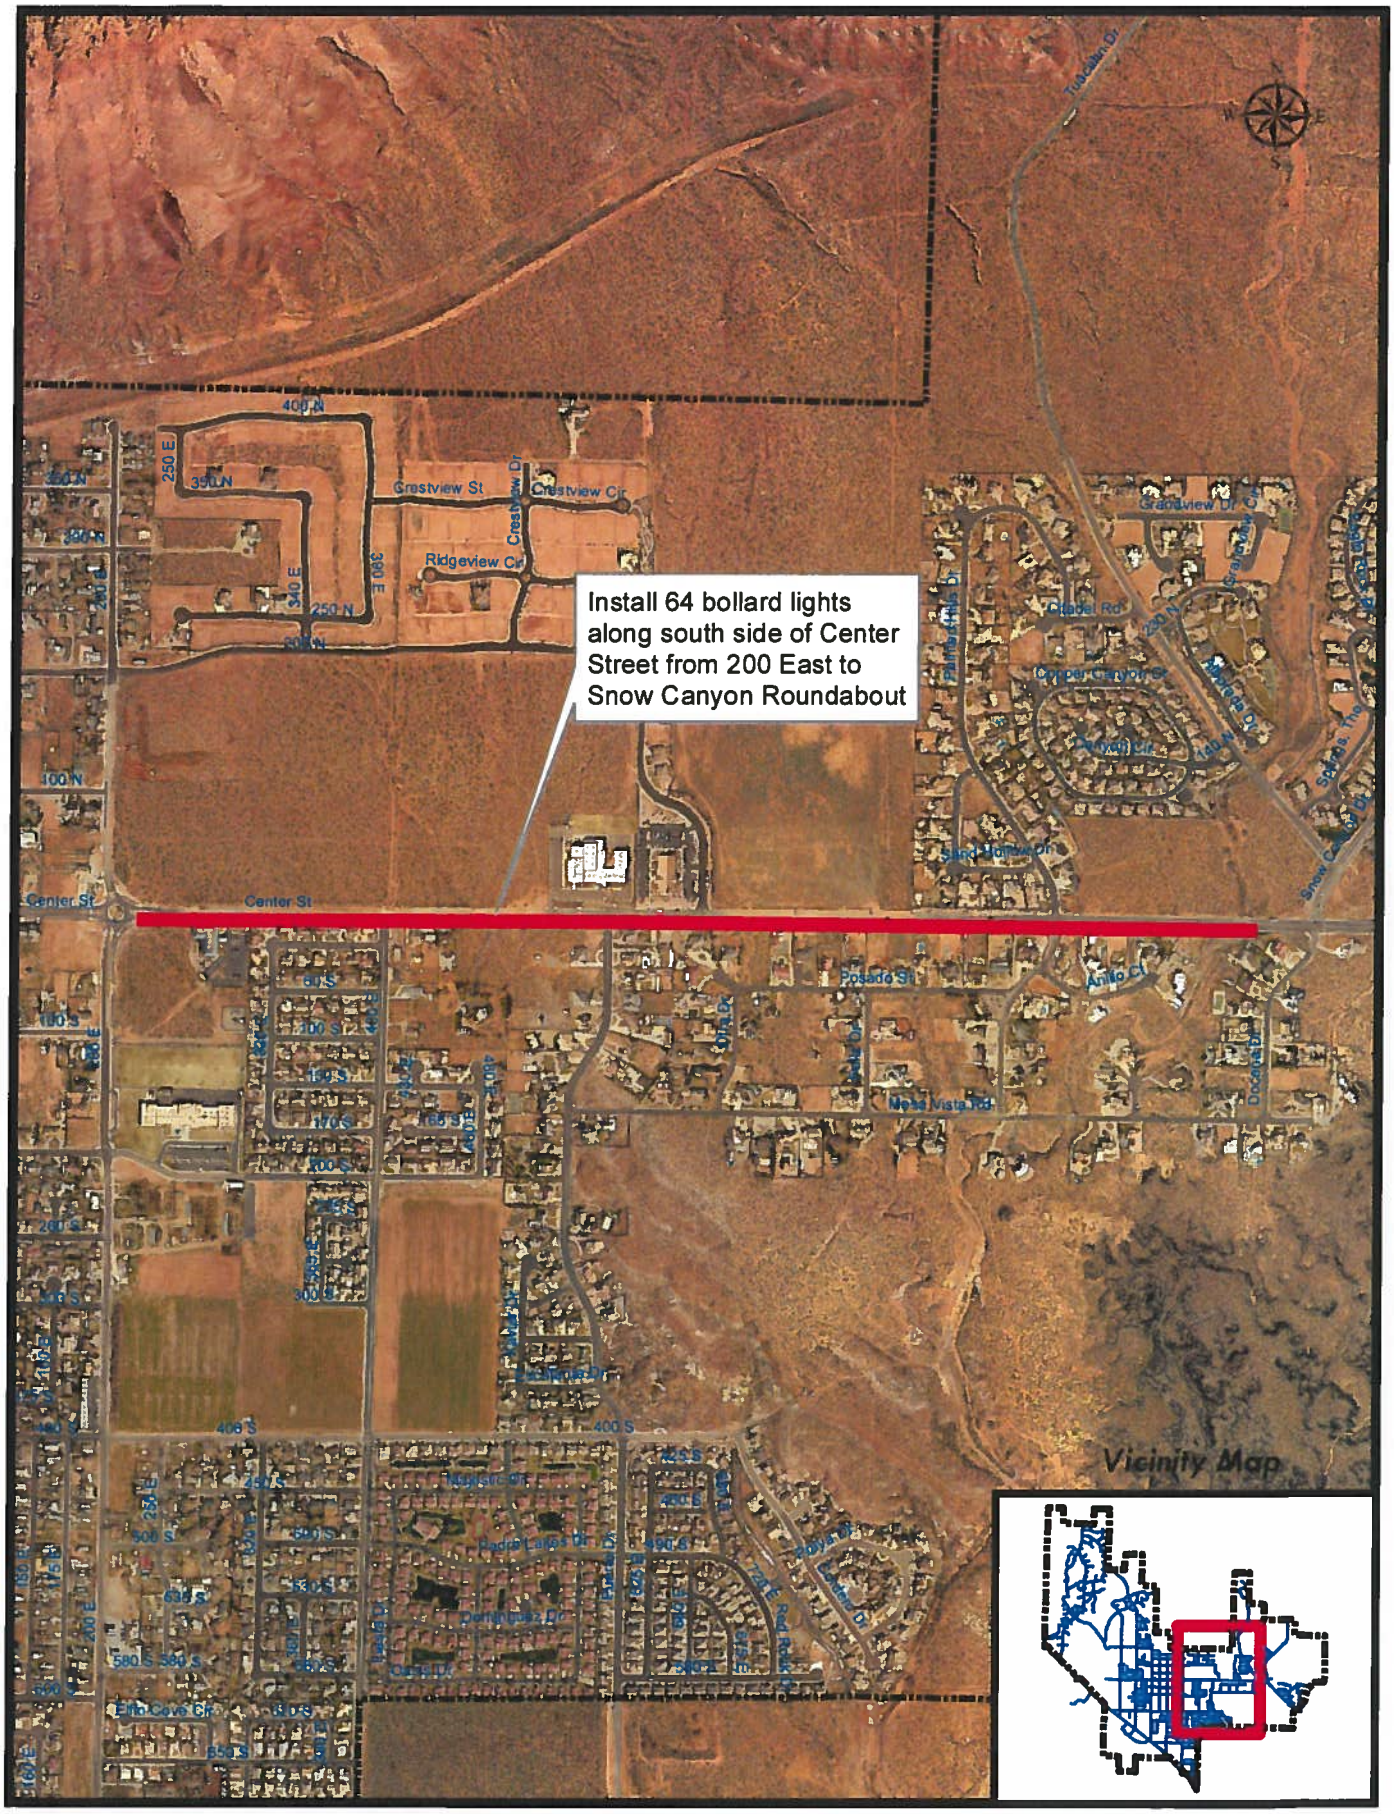

FINANCIAL IMPACT:
GL 10-65-530: $63,228

Respectfully Submitted:

Charles R. Gillette, P.E., City Engineer
