Ivins City Parks & Recreation
Staff Report August 7, 2014

The 24th of July went well. As usual, we had good support from the LDS wards and the Ivins Royalty for the parade and for booths and activities and we thank them for their help! Our staff did a great job of getting ready, keeping things cleaned up during the activity and getting things back to normal afterwards. It would be nice to have more parade participation and to have some type of short presentation at the park that lets people know what the Pioneer Day holiday is.

Movies in the Park began August 1 with "The Lego Movie" this first movie is scheduled to start at 8:30 p.m. but will probably start about 8:40 to 8:45p.m., when the sun goes down and it is dark enough.
Next week is "The Nut Job" followed by "Despicable Me 2", "Brave" and "Frozen". Usually by the second week are able to start right at 8:30 p.m.. This year The Ivins Veteran's Home and Avalon Health Care are our sponsors.

Flag Football – We have two more weeks of registration and as usual it seems most people are waiting till the last few days. We will know better what our numbers are next week.

Heritage Days planning is in full operation and we will be ready on September 20

The Splash Pad has been busy this summer and we have not had any real problems with it other than we have to keep reminding people to not plug the drains.

We are continuing our weekly mowing, weed killing, keeping up with irrigation issues and doing major trimming, cleaning and sprucing up.

Cemetery – No burials in the month of July.

The Cemetery has been off and on irrigation water this summer, the volume of water in the line has not been enough when the lump is running.

We will be working on a sign that spells out all cemetery rules, currently our rules do not allow dogs in the cemetery, but we have a lot of dog feces in the cemetery.

With the heat, there have been not been a lot of people in the parks, and Vandalism been minimal.
