## Police

As always when school is in session, we get complaints of students speeding in high school zones and other areas of the cities. Santa Clara - Ivins Police Department has assigned an officer to 4 hours per day as a School Resource Officer at Tuacahn High School, a part-time officer at Vista School and a full-time officer spending time between Red Mountain Elementary, Arrowhead Elementary, Santa Clara Elementary and Lava Ridge Intermediate School. The daytime patrol officer is also focusing on patrol around the school zones. We want to educate students and parents the dangers of speeding in school zones.
