Ivins City Staff Report
City Council Meeting 09/04/14

Agenda Item: Approve purchase of Itron hand held ERT and register programmer

Submitted by: David Glenn, Public Works Director

Recommended City Council Action: Approve purchase of Itron hand held ERT and register programmer

BACKGROUND: It is necessary to program ERT's and registers when they are first installed or reprogram them when a meter is changed. The programmer also troubleshoots ERT's and registers in the event of problems. The existing hand held programmer is old, unserviceable, and inadequate.

FINDINGS AND ANALYSIS: It is desirable to replace our existing programmer with a new reliable one. Hydro Specialties Co. is our territorial dealer for our ERT's, meters, and registers and also the dealer for our Itron meter reading equipment. They have indicated our existing programmer is not serviceable and has no trade-in or retail value.

SUPPORT MATERIALS:

- Quote from Hydro Specialties Co.

FINANCIAL IMPACT:
$5,385.00 - GL 51-42-744
This is a budgeted expense in the water fund
