Ivins City Parks & Recreation
Staff Report November 6, 2014

Basketball – Registration is going on now.

Tennis - Began October 18 at UNITY Park, we have 22 participants registered

Trick or Treat at City Hall – Held on Halloween Day, always very scary!

Tournaments - We have a baseball tournament coming up at UNITY Park on November 14 & 15.

We are having to bring a lot of infield soil in for the baseball fields at UNITY Park to replace the soil that was washed away in the flooding.

We are continuing our weekly mowing, weed killing, irrigation has been scaled back.

We have repaired most of the areas that were damaged in the flooding. Tons and tons of soil had to be hauled back into the washed out areas and new rock purchased to cover it.

We have been doing major trimming/clean up in some areas, like Rocky Point Park, 200 East & Center Roundabout and The Community Garden.

We had a Scout troop stay overnight at UNITY Park on October 24, they rode their bikes to the park from St. George, did a cleanup of the park, camped overnight and then left early Saturday morning for a 50 mile bike ride.

Cemetery – 2 burials in the month of October.

Vandalism – We did not have any serious problems!
