Public Safety Department
October 2014 Report

(November 6 City Council Meeting)

Police

Patrol served 3 search warrants in Ivins… personal use drugs and paraphernalia were located.

Drug Task Force served a search warrant in Santa Clara, which yielded an amount of marijuana and paraphernalia. The suspect admitted to selling drugs from his home for over 2 years.

2 major vehicle accidents occurred 1 Ivins. The first resulted in the death of a 2-year old girl. No charges were filed. The other occurred in Ivins on Old 91 killing a bicyclist. The driver of the vehicle left the scene of the accident without reporting the accident. Even though the investigation yielded no fault to the driver, charges for failure to notify an accident involving a death (3rd degree felony) will be filed with the County Attorney's office.

Officer Holt executed several reunification drills with students at Arrowhead Elementary that went very well. The school and parents learned a lot. He will be doing this drill with Red Mountain Elementary shortly.

Officer Holt executed an active shooter drill at Santa Clara Elementary that went extremely well. The exercise demonstrated several points of concern with teacher safety and security at the school that is being addressed.

Officer Davis put on a big event at Vista Elementary for Red Ribbon week. Officers, EMS, and Fire personal came with all their equipment and put on a show for the kids. Also, Mercy Air flew in the Helicopter for the kids to check out. They all agreed that was the coolest part.

We just hired 2 new crossing guard reserves (Kim Payne and Crystal Lewis).

We had Sgt. Studley and Officer Tobler attend the Washington County SWAT tryouts. Both Officers did very well and tested 1st in several areas. Both Officers were added to the SWAT team.

Fire \ EMS

Significant Events - The Fire Department held our annual Open House on October 9th. The second week in October is National Fire Prevention Week. This year's theme was "Smoke Detectors save lives, make sure yours work". Many events took place including the Safety House, with all events run by the volunteer firefighters. This is a family event and over 300 people attended.

The Kayenta substation is complete and awaiting final CO. An Open House is planned for November 5th from 5:30 to 7:00. The public is invited to come by and see the new building and get acquainted with the Firefighters. This building will be larger than the current building and house two brush trucks and a reserve pumper.

Training - The Training Academy for our new recruits for this year concluded with Fire 1 & 2 state certification testing. Six members tested for State Certification which consisted of 8 skills and a 4 hour written test of 300 questions. This recruit class started in May and took place twice a week and continued until October with state testing. This is a big commitment in time and training for volunteers. These

volunteers will be recognized for their commitment and dedication with awards at the annual Christmas Dinner.
