Ivins City Staff Report
City Council Meeting 1/15/15

Agenda Item: Approval of expenditure for pre-purchase of pumping equipment for Taviawk Pump Station

Submitted by: Charles R. Gillette, P.E., City Engineer

Recommended City Council Action:
Approve expenditure of $_____(TBD on Wednesday prior to Council meeting) for pre-purchase of pumping equipment for Taviawk Pump Station

BACKGROUND:
As the Council is aware, Alpha Engineering is working on the design for the Taviawk Pump Station located in the Taviawk subdivision which delivers water to the upper tank. The Taviawk Pump Station needs to be upgraded before April when water demands start to rise. To expedite the project it is necessary to pre-purchase the pumping equipment, since the lead time on these items can be significant.

FINDINGS AND ANALYSIS:
The engineer has solicited bids from various pump manufacturers the results will not be available until Tuesday. This staff report will be updated and distributed to Council on Wednesday morning.

SUPPORT MATERIALS:
- Bid Tabulation (to be provided with update next Wednesday)

FINANCIAL IMPACT:
The expense has been budgeted and is impact fee eligible.
