City Council Meeting 6/4/2015

Agenda Item: Approval of expenditure for capping Lounsbury Well

Submitted by: Charles R. Gillette, P.E., City Engineer

Recommended City Council Action:
Approve expenditure of $10,500 for capping Lounsbury Well

BACKGROUND:
The Lounsbury Well was drilled in 2001 with the hopes of providing a more local source of drinking water for Ivins City. The well has not performed as originally hoped and has been disconnected from the City system for the past 10 plus years. The State recommends that abandoned wells be capped by filling the well with concrete.

FINDINGS AND ANALYSIS:
Staff contacted four well drillers but was only able to get a bid price from one of the drillers, Gardner Brothers Drilling Inc. for $9,900.00. A total of $10,500 was requested in case the quantities of concrete overran.
