Suntrans Bus Ridership Report, Ivins Route #5

8/13/2015

July showed a decrease in ridership with 1116 riders versus an average ridership of 1273 per month showing a 13% difference. Tuacahn ridership was markedly decreased in June and July but is expected to pick back up in August with the starting of school. Tuacahn in March and April represented 18% of the total ridership, but in June and July represented only 2.5%.
