FIRE

Training- Fire Department members discussed flooding response and concerns. Chuck Gillette presented the areas of concern in the city during flooding events. Ideas for unified command and response from other departments was also discussed.

A Hazardous Materials Awareness test took place for 7 people.

Significant calls- Fire crews responded to a Heavy Equipment Diesel fire. Western Rock had a diesel fuel truck catch fire on the old Apex mine road. Crews responded with 3 apparatus and aid from Santa Clara Fire to extinguish the 900 gallons of diesel fuel and oil.

Fire crews responded to a lightning strike fire near Jackson Springs. A brush truck and crew took initial attack on a brush fire on Utah Hill. The fire was controlled and extinguished. The County Fire Warden Adam Heyder called additional resources from Color Country to continue to monitor the fire.

Fire crews responded to a single vehicle rollover with two occupants. Both occupants were injured with one needing extrication. Fire crews put to use the latest piece of extrication equipment we recently purchased. This equipment saved valuable time and was imperative to have on such a call. This will be a great resource to have.
