Euthanized	0	0
In Shelter (both cities)	26	

Total Donations to Shelter	$2,147.00
Volunteer Hours	$1,100.00

FIRE

Training- Training for the fire department consisted of Hose testing of department hose. This is required yearly for NFPA compliance and ISO records keeping. Department personnel tested over 800 feet of LDH or large diameter hose, 5”.

Crews were instructed on Power lines and electrical emergency response. A Lineman from Rocky Mountain Power visited and instructed department members on dangers of transformers and downed power lines.

Equipment- Annual flow testing of SCBA masks and air packs took place. This testing is important to keep SCBA in safe working condition. It is also a requirement of NFPA. As this equipment become older and reaches its useful life expectancy, more maintenance is required. A grant was applied for this past year and we have been unsuccessful thus far.

Our SCBA compressor has been repaired and is operational once again.

Significant Events- The large piles of wood and vegetation at the Ivins Reservoir were burned by Fire Department members. Charlie Peterson and Tanner Maughan spent 12 hours on 9/17 burning 9 large piles and several hours over the next couple of days monitoring and extinguishing hot spots. This project saved the city a significant amount of dollars from having to haul out the debris.

A crew of 4 volunteers responded to Hilldale to assist with the search efforts for a missing flood victim. Ivins Fire Volunteers spent 10 hours cutting flood debris and searching along the banks of the flood zone. Ivins Fire Volunteers are willing to assist when the call is requested. Many leave full time jobs to help others in need.

Burn Season is open with an approved Burn Permit. Burn Permits are obtained online or by phone depending on air clearing index.

Ivins Fire participated in the Heritage Days activities. The Honor Guard presented a nice flag ceremony to kick off the parade. A breakfast was held prior to the parade. The attendance at the breakfast was not as well as anticipated and costs for the food were not met. Ivins Fire is considering doing a different event next year rather than a breakfast.

Calls-	Assistance calls	5
	Mutual aid	2
	Brush Fire	1
	Other	1
