Re: Tourism Directional Signs to Paiute Drive

Dear Mr. Gillette:

We are writing to request relief from traffic on our private street generated by tourism directional signs located on both Taviawk Drive and Kayenta Parkway. Our concerns have specific causes as follows.

1. Paiute Drive is a private street maintained by the members of the Taviawk Homeowners Association (HOA) of the which the undersigned are owner members.

2. The undersigned are residents on or adjacent to Paiute Drive.

3. The undersigned were neither consulted nor advised in advance of the placement of the tourism directional signs.

4. The tourism directional signs have caused increased traffic volume on Paiute Drive above and beyond the volume to be expected on a private street in Taviawk.

5. Public traffic is not directed onto any other private street in Taviawk with the result that the undersigned resident owners of the HOA are deprived of the same right of quiet enjoyment of their homes as experienced by the other Taviawk residents.

6. The Ivins City Department of Public Safety is legally restrained from enforcing the speed limit on Paiute Drive.

For the above reasons the undersigned resident owners on or adjacent to Paiute Drive do hereby request that the Ivins City remove or cause to be removed those directional signs on both Taviawk Drive and Kayenta Parkway which are now directing the general public traffic onto Paiute Drive, a private street.

It is not the intent of the undersigned to restrict access to Paiute Drive but rather to ensure that access is managed in the same manner as all other private streets in Taviawk. The general public would continue to be allowed use of Paiute Drive but not specifically directed to do so as is now the case.

Respectfully submitted,
(signatures attached)

Letter of Paiute Drive Residents to Ivins City April 2015
