Ivins City Staff Report
City Council Meeting 2/4/2016

Agenda Item: Approval of amount to purchase shade structures for Red Rock Park picnic tables and playground structure.

Submitted by: Benny Sorensen

Recommended City Council Action: Approve expenditure of an amount, not to exceed $24,082 for the purchase, shipping and installation of two shade structures for Red Rock Park.

BACKGROUND: As part of the continuing development of Red Rock Park we have planned to include shade structures over the children's play structure and over the picnic tables. Suppliers were given dimensions of the areas to be covered and asked to provide a price for a shade structure to cover the areas plus shipping and installation. Four suppliers submitted bids. The structures will be a four post hip structure.

FINDINGS AND ANALYSIS:

- Each vendor's product was a little different in size and the cost for the Structure, shipping and installation varied greatly.
- One Vendor actually came out and measured the playground and picnic table area and provided a quote for structures that will fit the area to be covered. The others, I assume provided a price on a stock size structure.
- The vendor who came out and took measurements is also the lowest bidder.

SUPPORT MATERIALS:

- Bid from Sonntag Recreation, LLC

FINANCIAL IMPACT:
Funds for this expenditure were budgeted in FYE 2015/16 budget Line item line item number 49-40-699 Capital Projects, Park & Trail improvements.

Respectfully Submitted: Benny Sorensen
