Planning Commission recommendation of amendments to the Tables of Uses

Current Classes

- I = Temporary Use – Staff Approval
- II = Staff decision – we never see it
- III = Planning Commission decision – no public hearing
- IV = Planning Commission decision – after public hearing
- V = Planning Commission recommendation after public hearing, then Council decision after another public hearing.

Proposed classes

- No changes to Classes I, II, III, IV
- Change Class V to: Planning Commission recommendation after public hearing then Council decision with no public hearing.

Recommended changes to the residential table and zoning map

- Eliminate the M-H (mobile home) zone and change the zoning map in the current M-H zone to R-1-7.5 (7,500 sq.ft. density).
- Eliminate the A-20 zone shown in the Table of Uses and in the legend on the zoning map, because there is no land designated A-20 in the city.
