Roger,
Thank you for your email. I had forgotten to send this on to Eric Klotz to work with you. We are on board for $10K. If you will resend me your contact information I will have Eric Klotz contact you and work on getting a contract. Please let me know how things are progressing and I cant wait to come down and see the project.
Thanks
Todd

I'm sure you have passed this on to your staff at this point and we're happy to begin working with the appropriate person. Thanks for your help
