RESOLUTION NO. 2016-10R

A RESOLUTION OF IVINS CITY, UTAH, ADOPTING A CELL PHONE STIPEND POLICY FOR MANAGERS

WHEREAS, city employees who are Department Heads and Supervisors (Managers) are generally required to be available by cell phone and have, to date, been issued a city cell phone for which the city has paid for both the usage and the phone itself; and

WHEREAS, some Managers have elected to use their personal phone for both personal and city business but have received no stipend or other reimbursement from the city for doing so, while others have elected to carry both a personal phone and a city cell phone which can be burdensome; and

WHEREAS, many cities throughout Utah have adopted a cell phone stipend policy whereby Managers who elect to use their personal phone only, rather than having the city provide a cell phone and pay for usage thereof; and

WHEREAS, the Ivins City Council desires to amend the Managers Handbook to adopt a cell phone stipend policy for its Managers who elect to use their personal phone only rather than a city cell phone;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF IVINS CITY, STATE OF UTAH, AS FOLLOWS:

Cell Phone Stipend. For Managers who elect to use a personal cell phone for both personal and city business, Ivins City will pay a stipend equal to the usage cost the City pays for those using city cell phones (currently $49.99 per month), provided the employee provides their own cell phones. For those Managers who are using older city issued cell phones and qualify for the city to upgrade the cell phone at the city's cost, the Manager may elect to transfer their existing cell phone to their personal account or purchase a new cell phone at their cost for usage on their personal account. Thereafter, the Manager shall be solely responsible for the entire cost of their personal cell phone unless the Manager elects to remain under the old policy and remain using a city cell phone.

Effective Date: This Resolution shall become effective immediately upon adoption by the City Council.
