Ivins City Parks & Recreation
Staff Report August 4, 2016

Movies in the Park will begin August 5 with "Aladdin" this first movie is scheduled to start at 8:30 p.m. but will probably start about 8:40 to 8:45p.m., when the sun goes down and it is dark enough.
Next week is "The Good Dinosaur" followed by "The Emperor's New Groove" and "Inside Out". Usually by the second week are able to start right at 8:30 p.m. The Ivins Veteran's Home and Avalon Health Care are our sponsors for Movies in the Park again this year.

Flag Football – We have two more weeks of registration and as usual it seems most people are waiting till the last few days. We will know better what our numbers are next week.

Heritage Days planning is in full operation and we will be ready on September 16 and 17

The Splash Pad has been busy this summer and we have not had any real problems.

Fire Lake at Ivins Reservoir - Things have been going pretty well and people have enjoyed having a place to cool off!
Off leash dogs and people allowing their dogs in the Fire Lake part of Ivins reservoir is still a problem and likely always will be.
We will be treating for algae on a more regular basis, (about every 10 days) for the remainder of the swimming season. We have found a product that will not require the closing of the reservoir, we will just treat it in the evening after people have left.

We are continuing our weekly mowing, weed killing, keeping up with irrigation issues and doing major trimming, cleaning and sprucing up.
We have trimmed back the Tamarisk along the path on 200 East between 250 South and 400 South.
The Irrigation control system at Ivins City Park has been experiencing major problems. We have budgeted to replace it this year and will get to it as soon as possible.

Cemetery – 5 burials in the month of July.
