Public Safety Department
November 2016 City Council Staff Report

POLICE

As of November 28, 2016, the Santa Clara-Ivins Police Department states are:

- Traffic Stops 304
- Citations 121
- Arrests 113
- Calls for Service 321

FIRE

Training this month consisted of equipment audits and blood borne pathogens class. The third training this month was canceled due to it falling on Thanksgiving. The equipment audit is the second audit since July 2016, and each piece of critical equipment was found to be in compliance with all required maintenance needs met and all equipment passing inspection.

SIGNIFICANT CALLS FOR SERVICE:

Ivins City Fire responded to a reported Structure Fire at the LDS Stake Center in Ivins off of 200 East and 1160 South. Upon our arrival, the chapel and cultural hall were full of smoke, and a heavy burning odor was present. Ivins Fire evacuated the chapel as a precaution while crews entered the location to locate the source. Crews found a furnace had accumulated a layer of lint since its last use and the motor warmed and burnt the lint off, resulting in smoke being vented into the air ducts. Crews used fans to push the smoke and odor from the building.

Ivins City Fire has initiated a community service project in Ivins and is currently sponsoring two families in need of gifts for Christmas. We will continue to collect presents and needed items for the families that are to be delivered by Christmas Eve.

Firefighters identified two elderly residents where yard debris and leaves need to be cleaned up. Both projects are scheduled to be done this week.

We gave five tours of the Fire Station to local children's and community groups. Each group was given fire prevention material and lessons in fire safety.

Burn Season is now closed, with approval for Agriculture Burns at Fire Dept. discretion
