12/09/16

Mayor Hart and Ivins City Council,

The Graf and Pendleton families met as a group on Tuesday, Dec. 6 at 6 pm with Mayor Hart to discuss a transition area between our two properties. We appreciate Mayor Hart taking the time to help us come to a resolution. We asked Brett Henke with Kuma Engineering to create a drawing of what we discussed so you can all see the area we decided on as the transition area. Here is a picture of what we have agreed to.

Jan Graf _____

Gary Pendleton _____
