Public Safety Department
January 2017 City Council Staff Report

POLICE

The Santa Clara-Ivins Police Department recently had a training day where everyone was in attendance. We went over our objectives for 2017 and put strategies in place to meet these goals. Since our meeting at the first of the month, we have had follow-up meetings to set assignments.

We are also moving forward with a strong focus on outreach within the community. We have four events as well as a youth academy planned for the summer which will enhance our outreach goals for the department. Along with events, we are working to get our social media presence established and our website updated.

The Santa Clara-Ivins Police Department stats are:

- Traffic Stops 265
- Citations 107
- Calls for service 300
- Arrests 80

FIRE

Trainings for the month consisted of yearly goals and strategy planning with all of the firefighters. We went over expectations they have for the department, and what expectations the fire administration has for them. It was a very productive meeting with the highest attended fire training in over a year.

Additional training consisted of emergency radio communications, radio programming, and incident command scenarios.

ANIMAL SHELTER

At this time, we have one dog and sixteen cats waiting to find their forever homes. We are at our lowest on our number of animals at the shelter, due to the great staff here working so hard to adopt our animals out to get them into homes. This is also due to the fact that we are accepting and servicing animals only for our cities of Santa Clara and Ivins.

We have had great reports from our community of how friendly our staff is, that we go above and beyond to help them find their new four-legged family members. WE have also received many compliments of the cleanliness of our shelter as well.

February is going to be our GIVE LOVE month. More details for this event will be shared through the Ivins City newsletter and our social media pages.
