Public Safety Department
March 2017 City Council Staff Report

POLICE

We had three officers test for the new Sergeant position. All three individuals were within striking distance of each other. We could have picked from any of the three and would have had a successful Sergeant, however, Nick Hallman was chosen for the position.

With the promotion of Nick Hallman, hiring of a new Fire Chief and recognition of our Office of the Year, Nick Tobler, we held a Recognition Ceremony which was attended by not only our department and Ivins Fire but many other departments, city employees both from Ivins and Santa Clara City, and a few community members, friends and family members as well.

Cory Norman also advised us he has accepted a position on the road with the County. He will be moving within the next week; his assignment will be in patrol!

Some assignment changes will be made with the Sergeants, and the Captain and the Sergeants will fine tune these assignments over the next few weeks. We also have an Officer working with the WCDTF and some work is being done in our two cities regarding drugs in our area.

Lastly, we have our annual Kickball with the Cops registration open with the actual tournament day planned for April 28th. We have had positive feedback and interest in this year's tournament. We have also added an inner department contest where a trophy will be awarded to the top public safety team. We are looking forward to a higher turnout and collaborative effort between public safety and our communities as we raise money for those in need.

Santa Clara-Ivins Police Department stats are:

- Traffic Stops 257
- Citations 118
- Calls for service 329
- Arrests 58

FIRE

Trainings –

Fire training consisted of an emergency pre-plan/walk through of the Veterans Home, Wildland Pumps, and night doing equipment and maintenance on Truck 121. We had Dr. Lunt from Labor/Delivery for EMS training.

Events –

The Fire Department gave four tours of the Fire House with approximately forty-eight children and nine adults attending from two Scout groups, one preschool, and one youth church group.

The Fire Department conducted a fire extinguisher training to staff from the Veterans Home with approximately 90 people in attendance.

Participated in Shivwits Health Fair, E122 and M121 attended. It was a successful PR event. We established landing zone for Mercy Air and had several families visit the engine and helicopter.
