Ivins City Staff Report
City Council Meeting 4/6/2017

Agenda Item: Approval of amount to purchase a play structure and shade structure for Desert Rose Park and for a Shade structure at UNITY Park.

Submitted by: Benny Sorensen

Recommended City Council Action: Approve expenditure of an amount, not to exceed $101,410.00 for the purchase, shipping and installation of a play structure and shade structure for Desert Rose Park and for the purchase, shipping and installation of a Shade structure for the playground at UNITY Park.

BACKGROUND: As part of the construction work at Desert Rose Park we have planned to include a children's play structure with shade. We will also install the planned shade structure over the playground at UNITY Park. Desert Rose Park equipment costs; Play Structure – $39,471.50, Shade Structure - $29,671.00, Total = $69,124.50
UNITY Park shade structure cost = $32,267.20

FINDINGS AND ANALYSIS:

- We have chosen play equipment that will be usable by children from age 5 to 12 that will provide many play opportunities, that will fit into the space available in the park.
- The equipment will meet A.D.A. requirements for play areas.
- While looking at the play structures that are available from the various manufacturers, we spoke with Sonntag Recreation, who is the supplier of the play equipment that we liked the best for this park, (the Venti by Landscape Structures) and they provided us a quote for the Desert Rose play equipment and shade, and for the UNITY Park shade structure. We asked representatives from GameTime, Miracle and Playworld if they would provide us a proposal for comparable equipment. We received proposals from GameTime and Miracle.
- We prefer the proposal from Landscape Structures due the play value of the play structure, also the shade structures that were proposed by them were larger than the others.
- Landscape Structures and Sonntag Recreation have a Utah State Purchasing contract for the items we have received proposals. We will receive the State contract price.

SUPPORT MATERIALS:

- Bid from Sonntag Recreation Company

FINANCIAL IMPACT:
Funds for this expenditure were budgeted in FYE 2016/17 budget line item number 49-4069.9 to reflect that the work will be done in Desert Park and UNITY Park.
