Subject: planning mtg

Sharon,
Sorry I wont be able to be in attendance at the planning commission mtg.

The purpose of us presenting this before the commission is to get approval signatures on 2 amended plats;
The reason for the 2 amended plats is that we did 2 lot line adjustments; and because our lot is on a dividing line between phase 1 and phase 2 the county is requiring that we amend the 2 plats.
Ivins city has approved prior to this the 2 lot line agreements and all parties have agreed and signed the documents necessary; all we need now is for the approval signatures from ivins city located at the bottom of both mylars.

If there is any questions at all please feel free to contact me @ 801-514-2669
Thank you for your help on this
