Ivins City Parks & Recreation - Staff Report June 1, 2017

Baseball is going well, will end on June 13, we had 95 registered for baseball, a decrease of 10 from last year.

We will begin Flag football registration this month.

Baseball tournament – May 13
Southern Utah Baseball hosted a tournament at UNITY Park on Saturday. We had 10 teams from Northern and Southern Utah and Las Vegas play on our fields.

Staff has continued to work on:

Parks and landscape areas, trying to keep ahead of the weeds, irrigation repairs.

Pavement maintenance – almost all the paved trails, parking lots and basketball courts have been treated with HA5 and look great.

Ivins Reservoir – Has been treated and is ready for the start of the season. A group from Kayenta did a clean-up project and removed lot of trash from the big part of the reservoir, we appreciate their help and support.

Desert Rose - Landscape curbing, irrigation valves buried, grading, excavating for the playground. Planning for mid-June for the playground and shade installation.

Cemetery – The Cemetery looked great for Memorial Day - We had two burials in the month of May. There was a memorial program held at the cemetery

Vandalism – We recently found that someone vandalized the shade canopy at Red Rock Park by throwing large rocks up onto the shade cover. They also threw many large rocks into the playground fall material. These rocks have damaged the shade material and put holes in it and have stretched the material, which will shorten the expected life of the material.
