Public Safety Department
June 2017 City Council Staff Report

POLICE

Officers have spent several hours each out at Fire Lake Park and have written 2 Dog at large tickets and several warnings. We have set up special shift assignments where officers were specifically assigned to be out at the Lake during Memorial Day weekend and Father's Day weekend. We will continue to spend time out at the Park and make these assignments during holiday hours, especially with the 4th of July right around the corner.

Santa Clara-Ivins Police Department stats are:

- Traffic Stops 458
- Traffic Citations 179
- Calls for Service 326

FIRE

Trainings –

Dr. Robert Foster (Medical Director) taught Rapid interpretation of EKG's this past month. We also have invited Santa-Clara Fire to join us in month EMS/Fire training. This has been a very positive change. It has improved our working relationships and scene continuity, both increasing our level of service to the communities. Also, as part of this joint training, we have begun Fire Officer training biweekly on Tuesday nights, and have moved our EMS training to 2nd and 4th Thursdays and Fire training to the 1st and 3rd Thursdays.

Events –

We had a joint fire training exercise with Santa Clara Fire on June 6th and 7th. We had an officer's class and discussed fire behavior and fire ground procedures, and then we had a multi-agency drill on a single-family residence set for demolition. The exercise was a success and helped us measure skill levels and areas for improvement. We also had joint wildland training in Kayenta this past Thursday Evening. We gained approval to use a house being remodeled. This gave both agencies a chance to share hose-lay deployment strategies and discuss fuel types around Kayenta residences.

Fireworks maps and restrictions have been posted on website, in newsletter, and signs distributed throughout community and Fire Lake park area.

SIGNIFICANT CALLS FOR SERVICE:

Brush fire behind Movara Fitness. Employees had an unauthorized smoke area that burned a picnic table and benches. Fortunately, the wind was blowing in the right direction and we were able to get a quick knockdown.
