Flag Football – We have two more weeks of registration and as usual it seems most people are waiting till the last few days. We will know better what our numbers are next week.

Heritage Days planning is in full operation and we will be ready on September 8 and 9

The Splash Pad has been busy this summer and we have not had any real problems.

Fire Lake Park at Ivins Reservoir -It is very busy, but things have been going pretty well and people have enjoyed having a place to cool off!
Smoking, trash and Off leash dogs and people allowing their dogs in the Fire Lake Park part of Ivins reservoir is still a problem and likely always will be.
Staff tries hard to keep things clean and well maintained

Desert Rose Park - Sod has been laid on a large portion of the park, the playground and shade structure have been installed and some trees have planted around the pickleball court. We will be adding a pavilion and restroom in the next few months.

UNITY Park -The shade structure over the playground is now installed.

Cemetery – 2 burials in the month of July.
