Public Safety Department
July 2017 City Council Staff Report

POLICE

Sergeant Jaron Studley was first on scene at the Gunlock Reservoir traumatic patient incident. A woman was injured when a boat backed over her, causing deep lacerations. Sergeant Studley was quick to apply a tourniquet and pack the wounds to stop the bleeding. Due to the quick response of law enforcement and medical personnel, this woman is doing well.

We are very proud of Sergeant Studley's quick response, fast thinking and extensive training as his actions help saved this patient's life.

Patrol has undergone some changes. Nick Tobler, our Officer of the Year, will be our new School Resource Officer (SRO) at Tuacahn High and Vista Charter Schools. We have also hired a new Patrol Officer, Braden Ray. Officer Ray comes to us from the Washington County Sheriff's Office.

SIGNIFICANT CALLS FOR SERVICE:

Brush fire on the 4th of July, bamboo fire caused by fireworks. Car fire in Tuacahn. Structure fire in Gunlock, fire in the attic. All these incidents were handled efficiently as

possible. Thankfully we had fire patrol during the bamboo fire, as this had a great potential for large scale damages.

On the Medical side of things, SCI and EMS have responded to a couple of serious incidents; one required CPR and another involved the application of a tourniquet.

We are very proud of our EMS personnel for their extensive training and extraordinary care they provide.
