SCI Public Safety Department
August 2017 City Council Staff Report

POLICE

We recently had Field Investigation Drug Officer (FIDO) Training at Santa Clara-Ivins PD. The purpose of this training is to give our officers the tools and efficiency to impact DUI and drug investigations. The FIDO program affords law enforcement the capability of providing a preliminary identification of the most commonly encountered/used drugs (marijuana, cocaine, methamphetamine, and heroin).

On August 28th, officers apprehended a predatory sex offender on the run who also has multiple Felony Warrants issued from the state of Oregon. This person failed to register as a sex offender in the State of Utah as required by State Law. We were made aware this suspect may be in the area and on the run by the Medford City Police Department in Oregon. Officers surrounded the home in Ivins where he was alleged to be staying. Officers took the suspect into custody without incident.

Santa Clara-Ivins Police Department stats are:

- Traffic Stops 225
- Citations 118
- Calls for service 280
- Arrests 74

FIRE & EMS

Trainings –

Fire training this month consisted of scene size ups, fire behaviors, and forcible entries.

We currently have three recruits in the Fire Academy. All are doing well and passed their live fire this past weekend. We will be at the DXATC Center the first weekend in September with the Forcible Entry prop, and we are optimistic they will all pass this practical as well.

EMS training this month consisted of Medical Emergencies and scene reviews with Dr. Jensen.

Events –

The Fire Department was at the open house for Rocky Visit along with SCI Police and other local vendors.

SIGNIFICANT CALLS FOR SERVICE:

Fire Division - Ivins Fire responded to a Structure Fire call in Santa Clara with a house engulfed in flames due to a gas explosion. Crews assisted Santa Clara and St. George Fire Departments; the house is a loss.

EMS Division - None
