Ivins City Staff Report
City Council Meeting 9/21/17

Agenda Item: Approval of expenditure for streets pavement crack seal maintenance

Submitted by: Thomas Jorgensen, P.E., Assistant Public Works Director

Recommended City Council Action:
Approve expenditure of $22,455 for streets pavement crack seal maintenance, plus an additional $2,000 for contingency, for a total of 24,455.

BACKGROUND:
Staff has identified locations throughout the city that need pavement maintenance. This fall, the city crews are planning on filling those cracks in the asphalt in preparation for the pavement maintenance that will take place in the spring. Sealing, or filling, pavement cracks with asphalt sealing material prevents water from entering the base and subbase of the roadway and will typically extend the life of the road by three to five years.

FINDINGS AND ANALYSIS:
A quote was received from Deery Pavement Preservation Products for $22,455. The quote has been attached to this report.

Staff requests that the Council approve the expenditure of $22,455 plus an additional $2,000 in contingency for a total of 24,455.

SUPPORT MATERIALS:
Quote – Deery Pavement Preservation Products

FINANCIAL IMPACT:
The expense has been budgeted and will be paid from the Streets Fund general ledger: $24,455

Respectfully Submitted:

Thomas Jorgensen, P.E., Assistant Public Works Director
