Ivins City Staff Report
City Council Meeting 10/19/2017

Agenda Item: Approval of expenditure to purchase Small Dump Truck

Submitted by: Charles R Gillette, P.E. Public Works Director and City Engineer

Recommended City Council Action:
Approve expenditure to purchase small dump truck

BACKGROUND:
The City currently owns a 1999 Chevy 3500HD with three cubic yard dump bed. The equipment is heavily used due to its small size and versatility and is due to be replaced.

FINDINGS AND ANALYSIS:
Since the City can take advantage of government contracts, it is most economical to purchase the truck cab separately and then find a bed manufacturer and deliver the truck to them to have the bed installed. Staff has researched this purchase and has found the best price for a Ford F550 cab to come from Ken Garff Ford of American Fork. The dump bed would then be installed by Legacy Equipment of Salt Lake City through a state government contract.

Pricing is as follows:

	Price
Ford F550 Cab Truck	$41,409.45
TBEI Crysteel 11' E-Tipper Dump Body	$14,858.00
Direct Mount Hydraulics Upgrade to Dump Body	$2,700.00
Total:	$58,967.45

SUPPORT MATERIALS:
- Ken Garff Ford F550 Truck Cab Quote
- Legacy Equipment Dump Bed Quote

FINANCIAL IMPACT:
The cost of the cab and installed bed is $58,967.45. The current budget estimated $72,000 for this purchase using the following GL codes:

Water Fund, 51.42744: 40%
Streets Fund, 10.60740: 25%
Sewer Fund, 52.42740: 25%
Storm Drain Fund, 53.43740: 10%

Respectfully Submitted:

Charles Gillette, P.E., Public Works Director/City Engineer
