Ivins City Parks & Recreation
Staff Report March 1, 2018

The Parks & Recreation department storage Unit was destroyed by a fire on February 16, we are compiling a list of our losses along with proof of purchase for the insurance company. At this point our loss is in excess of $50,000 and it looks like nothing will be salvaged.

Youth Basketball – Our 15th year has gone well, tonight is the last night (and the reason I am not there)

We hosted the RAGE Soccer tournament for the three days of Presidents Day weekend, many local and Northern Utah teams participated!

We held another Geology class on February 21, we had 47 residents pre-registered and I am sure that Marc Deshowitz did a great job of teaching us about the geology of our area as usual.

Baseball tournaments – February 9th & 10th and 23 & 24
Southern Utah Baseball hosted two tournaments at UNITY Park Friday afternoon and all day on Saturday. We had 6/8 teams from Southern Utah and Las Vegas play on our fields for each tournament.
