Ivins City Parks & Recreation - Staff Report June 7, 2018

Baseball is going well, will end on June 13, we had 81 registered for baseball, a decrease of 14 from last year.

We will begin Flag football registration this month.

Baseball tournament – May 4 & 5
Southern Utah Baseball hosted a tournament at UNITY Park on Friday and Saturday. We had 10 teams from Northern and Southern Utah and Las Vegas play on our fields.

Staff has continued to work on:

Parks and landscape areas, trying to keep ahead of the weeds, irrigation repairs.

Ivins Reservoir – Work continues

Cemetery – The Cemetery looked great for Memorial Day - We had no burials in the month of May.
There was a memorial program held at the cemetery on Memorial Day, about 50 people attended.
We are moving from Desert Rose to the Cemetery and we will continue work on the new section, the retaining wall and the driveways.

Desert Rose - We are almost there! Some problems with the toilets that we are trying to fix. Some pictures

Vandalism – Not sure that it counts as vandalism, but lots of people are using the dumpster in Ivins City Park and usually by Saturday evening the can is full and we don't have room for park trash. Plus, they don't even try to put it in the dumpster, they just pile it on the ground.

This is what it looked like Saturday or Sunday after being emptied on Thursday Morning

This is what it looked like after being emptied on Thursday morning.

The trash company is not obligated to pick up the trash that people pile up around the outside of the dumpster, so we will end up paying extra to get rid of peoples personal or business trash.
