Public Safety Department
May 2018 City Council Staff Report

POLICE

Patrol

Officer Pondoyo is doing well on his FTO program; he enters phase II this week.

High Profile Calls

The DRE (drug recognition) program is continuing to pick up. Detective O'Bray and Sgt. Hallman were called out for DRE evaluations nine times last month. They did four in-house DRE evaluations, four DRE evaluations for UHP, and one DRE evaluation for Sand Hollow Park Rangers.

Investigation

Investigations have eight active cases, four of them are property crimes, and four are child abuse cases.

A search warrant for records was served at Country Kids for information on a name of a suspect (child) involved in a sex offense that occurred at Country Kids.

High Profile Cases Include

Suspects in the water tank break-in up to Tuacahn have been located. Investigation ongoing, doing interviews this week.

Crossing Guards

We had a crossing guard luncheon last week. We had all the crossing guards show up to it except one. An appreciation gift card was given to Patty Ward and Sandy Ames for their hard work and not missing a day of work during the school year.

JAMAR/Speed Trailers

JAMAR is currently being charged; Officer Hancey will get with Chuck Gillette and Jack Taylor for future list of areas they would like to see info on. Reports were created for Rachel Dr., and for Puerto Dr. last month.

The speed trailers are currently located on Arrowhead and 400 West.

Special Events

On May 11th we hosted our 3rd annual Kick Ball with a Cop event, where proceeds of $4000 dollars went to help a Santa Clara City employee Lisa Bundy. Her daughter is fighting a bought with cancer. It was a very fun-filled evening with eight teams participating:

1. Troy's Auto Body
2. Vista Charter school
3. Hurricane PD
4. SCI- Fire
5. SCI-Police
6. Dispatch/SGPD
7. Santa Clara City

Notable Equipment Purchases

One of the Ford Explorer's will arrive this week, and the other should be here next week.

We have received a bid for the Incident Command Trailer, waiting for City Council Approval.

Trainings

On July 10th we will be doing an Active Shooter drill at Rocky Vista University. SCI-Fire/EMS will be involved in the training as well as Washington County Sheriff's.

House Bill 200 was passed, which requires all certified law enforcement personnel and to be certified in Trauma-informed responsive investigations of sexual assault cases, by July 1, 2018. I'm in the process of setting up a class for the department sometime in June.

FIRE

Residential open burning closed on May 16th due to early spring drying and high fire danger. No large wildfires have occurred as of this date, but a higher than average wildfire season is predicted for our area.

Trainings

Regular scheduled fire and EMS trainings were held in May with the focus on pediatric trauma and structural and vehicle fire responses. Leadership training was held for the departments' supervisory staff with Santa Clara-Ivins Police on May 9th.

Events

The department hosted eighty 3rd graders to the Center Street Station with a morning of fire safety activities including a smoke house. End of school spray downs were conducted for Santa Clara Elementary and Red Mountain Elementary for more than 500 students. These activities were provided by department volunteers.

Significant Calls for Service

On May 7th the department assisted St George with controlling a 3-acre brush fire near Snow Canyon High School. During the early morning hours of May 20, the department responded to a structural fire. Damage was restricted to the trailer's porch and was not significant due to the quick action of observant neighbors.

ANIMAL SHELTER

This last month at our shelter we had great numbers. We adopted out two horses to Best Friends. We also did a trap and release on a resident fox. We have picked up a lot of snakes at residences but luckily only one has been venomous thus far. We have also caught and relocated a lot of baby ducks stuck in pools. We have a new full-time Officer Colton Tanner who started 5/19/2018. We have been getting lots of outreach from the public wanting to know more about animal policies and our animal shelter. We have had lots of positive conversations with the public.

Donations (food/money): $970.00

Volunteer Hours: $860
