Finance Report
for
Public Safety Trailer Purchase

Date: *June 7, 2018*

Purpose: *Purchase of a 2018 Mirage Cargo Trailer for the Public Safety Department*

Recommendation: *Approve the Purchase*

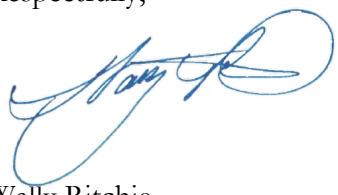

Background:

Public Safety has need of an enclosed trailer. This trailer will be used for a crime scene command center and incident command center. It will store all the needed equipment to fill these two roles. The department has received a donation of $5,045 that will offset a portion of the cost of the trailer

The City can purchase the trailer, complete with the needed options for $10,410. (the purchase order is attached). The vehicles will take about two (2) months from the time of order to delivery. This is within the capital equipment budgeted line item for Law Enforcement.

Staff recommends the City Council authorize the purchase of the new vehicles for the Law Enforcement.

Respectfully,

Wally Ritchie
Director of Finance
