RESOLUTION NO. 2018-18R

A RESOLUTION OF IVINS CITY, UTAH, AMENDING THE USER RATES FOR WASTEWATER

WHEREAS, the St. George Regional Wastewater Fee charged to Ivins City will be increased by $2.12 per equivalent residential unit effective July 1, 2018; and

WHEREAS, Ivins City structures user rates to collect adequate revenue to meet projected costs to operate and maintain adequate Wastewater collection systems; and

WHEREAS, Ivins City must cover the costs by passing through this additional fee,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF IVINS CITY, STATE OF UTAH, USER RATES ARE ADOPTED AS FOLLOWS:

Monthly Wastewater Rate per equivalent residential unit:

Residential	**$24.23 per unit fixed charge per month**
Commercial and other Non-Residential	**$24.23 per equivalent residential unit per month**

An equivalent residential unit is defined as an average indoor water usage of 7,000 gallons per month. For commercial and other non-residential units it shall be calculated by the measurement of the lowest three month average culinary water usage during the previous winter month period of November to March. The number of units shall be adjusted each April and be rounded to the nearest tenth. New hookups will be based on the best available and relevant data sources until a culinary water history can be established.

The St. George Regional Wastewater Fee increase of $2.12 per equivalent residential unit, shall be passed through to the fee charged by Ivins City, effective July 1, 2018
