Finance Report
for
Public Safety Radio Purchase

Date: ***June 21, 2018***

Purpose: ***Purchase of Four (4) Radios for the Public Safety Department***

Recommendation: ***Approve the Purchase***

Background:

The City submits an application and plan each year for State Liquor Funds and their use. The City received the funds from the State in the amount of $9,111.41. These funds need to be spent prior to the end of FY 2018 on items detailed within the plan. One of the eligible items is radios that will help keep our equipment current. These radios, APX 6000 700/800 Model 2.5 with a 3-year Essential Service Package, cost $2,537 each for a total of $10,148.

The Public Safety Department has the funds available in their capital equipment budget for Law Enforcement.

Staff recommends the City Council authorize the purchase of the new radios for the Law Enforcement.

Respectfully,

Wally Ritchie
Director of Finance
