Movies in the Park - August 3, 10, 17 & 24, the first movie is scheduled to start at 8:30 p.m. but will probably start about 8:40 to 8:45p.m., when the sun goes down and it is dark enough.
First up is "Sing" followed by "Monsters University", "Coco and "The Incredibles". By the second week are usually able to start right at 8:30 p.m. The Ivins Veteran's Home and Avalon Health Care are our sponsors for Movies in the Park again this year.

Table Tennis is still very popular and meets every Saturday at the UNITY Park Recreation room.

Heritage Days planning is in full operation and we will be ready on September 6, 7 and 8

The Splash Pad has been busy this summer and we have not had any real problems, just a few problems with the control button.

Desert Rose Park – Who knew a toilet could be so complicated? I am continuing to try to find a solution.

Skate park – We are putting together a citizen committee in preparation for sending out an RFP for Design/build services, we will have our first meeting after August 8, when all vacations are finished.

Fire Lake Park at Ivins Reservoir - Still lots to do but will have it ready for August 1. We will need to fence off areas that are still under construction and we will be using the portable restrooms, but hopefully it will work.
