Submitted by: Thomas Jorgensen, P.E., Assistant Public Works Director

**Recommended City Council Action:**
**Approval of resolution to authorize the filing and executing the Recreation and Public Purposes Act application.**

**BACKGROUND:**
Staff has been working with the BLM to submit an application under the Recreation & Public Purposes Act (R&PP). This application is for City to purchase or lease 100 acres located on the south side of Old Highway 91 southwest of the intersection of Old Highway 91 and Main Street. The intent to purchase or lease this site is for the City to construct the following improvements: a new public works yard; a new cemetery; and several recreational facilities. Attached is the current map of the concept plan for the 100-acre property.

To fulfill the requirements of the Act, Ivins City must submit an application to the BLM that includes, among other items, a certified copy of a resolution authorizing the filing of the application and further authorizing the signing officer to execute the application. According to the attached resolution, the authorizing officer would be the Ivins City Mayor.

**FINDINGS AND ANALYSIS:**
Staff is recommending that Ivins City approve the resolution to authorize filing and executing the Recreation and Public Purposes Act application.

**SUPPORT MATERIALS:**
R&PP Application with includes the following items:
- Description of proposed project
- Anticipated expenditure for development
- Concept maps
- Timeline for development
- City's proposed management plan

**FINANCIAL IMPACT:**
The current expense would be $100 for the filing fee.
