	8.94%	8.67%	67.89%	14.51%		
% of cash to total users	42%	58%	53%	96%	59%	

Tri-Pak and Head Start passes would be very time consuming to break down by City of Residence and number of entries because we do not differentiate these by City of Residence when sold. I would need to go into each pass holder's account and record their city of residence and entry history individually.

There is a separate count of SHAC Family Passes and Individual Passes. At some point toward the end of this fiscal year the passes were divided by City of Residence.

SHAC Family Passes (No City) - 7782

SHAC Individual Passes (No City) - 10091
