Public Safety Department
March 2019 City Council Staff Report

POLICE

Patrol:

Over this past month, it seemed we had some exciting calls from individuals evading officers in vehicles, to foot pursuits, to juvenile issues. Our officers have worked extremely hard this past month while being shorthanded. Officer Stoker retired, Officer Hope O'Bray is now Officer Shumway, and Officer Simon Pikyavit is still on light duty due to an on-duty injury that occurred during one of our pursuits this past month.

We are happy to have Detective Todd O'Bray and Copper back from K-9 school. We are also excited about our new hire Officer James Siteine. Officer Siteine is currently attending DSU Police Academy and will graduate (I am told near the top of his class), April 13th. He is currently being Field Trained by Detective Tobler and is doing very well.

We are short 2 crossing guard positions. Officers have been working extra to assist with covering these spots, along with Animal Control stepping in and helping out as well.

Tuacahn is starting their summer concerts again this month which will keep us busy for the next two months.

FIRE & RESCUE

Trainings-

Monthly trainings continued focus on wildland training and preparation. Members were trained and refreshed on the use of setting up and assembling a portable water supply tank with the Water Tender (WT31). This is used on Wildland operations were water supply is limited.

The second training consisted of wildland rrban interface operations and safety procedures. The use of portable VHF radios was taught and trained on.

The Fire Recruit Academy has begun and is continuing for the next three months. 6 recruits are learning and training on fire skills and operations. We are excited to get some new recruits and volunteers joining our ranks!

Events-

The True Grit Epic took place on March 9th in Santa Clara and the South Hills area. EMS crews assisted with treating patients and First Aid stations.

Firefighters and EMT's spent a lunch hour with Santa Clara Elementary students. Questions were answered, and our jobs were discussed with the class.

Five seasonal full-time wildland firefighters were interviewed and hired. Three individuals are returning from the previous season. Two new firefighters were hired for the season. The firefighters will begin in April with cutting projects until called out for assistance on wildfires. The seasonal employees are hired for a six-month season.

Annual business inspections are on-going and are close to becoming completed. There are approximately 200 businesses between the two cities which require an annual fire inspection for a business license.

March Monthly Report

Medical

Medical	40
Trauma	20
Neither medical or trauma	18
Transported	30
Non-transport/refusal	22
Flown by helicopter	1

Total Month Call Volume	78

These number reflect from March 1st to March 26th
We also had the True Grit bike race March 9 which kept us very busy with multiple calls for assistance.

ANIMAL CONTROL

Our shelter has a lot of great adoptable dogs. Our shelter cats have gone back up for adoption. We have hired a new Part-time employee Nick Patrick from Santa Clara. We are excited to have him be a part of our team.
