Public Safety Department
April 2019 City Council Staff Report

POLICE

Patrol:

Another busy month for the Police Department. Calls for service are up 11 percent from this time last year. Officers continue to make several DUI arrest not just for alcohol, but for drugs as well. Detective O'Bray and Sgt. Hallman have been called out several times last month to assist sister agency's with Drug Recognition Expert evaluations.

Officer Siteine has now graduated POST and is doing well in his Field Training with Sgt. Studley. An Officer is coming back from surgery and will be on light duty.

Crossing Guards:

We have lost a couple crossing guards who have found full-time employment this past month. We are running short handed.

Special Events:

We had several successful events in April from the Hog and Jog to several Tuacahn shows; they were all well attended. In May, we have IronMan on the 4th and the Veteran's Fun Run on the 18th. Tuacahn has 2 more events in April, Alen Menken and Frankie Valley, then in May, Jeff Foxworthy the first weekend.

Notable equipment purchases:

The 2 new trucks and Det. O'Bray and Copper's vehicle have been outfitted.

ANIMAL CONTROL

We just had a chipping event on the 13th of this month where we partnered with PAWS a local rescue group. We offered low cost spay and neuter, vaccinations and the opportunity to chip your animal. It was a great turn out, we were able to help a lot of locals.
