These number reflect from April 1st to April 25th

-Had the PBR at Tuacahn High School that went very well. We had two ambulances on standby and had a couple of transports out.

-We have had 5 out of the 11 students in our EMT class that have tested and passed, the rest of them are still coming up on test dates.

-Working on inventory of medical supplies to create a better tracking system and ordering system to save money and streamline ordering for efficiency
