Public Safety Department
May 2019 City Council Staff Report

POLICE

Officer Ray has done a fantastic job in representing the Police Department in 2 community events this past month. Rocky Vista University had a special event where Officer Ray set up a booth with the Fire Department. Officer Ray also put together a bike to school day activity with Arrowhead Elementary, where over 300 participants came. During the event, he taught bike safety and gave out many bike helmets and had bike mechanics assist those who needed tune-ups on their bikes.

Officer Sitenine is moving into another phase of his Field Training and will be with Officer Briggs for a 4-week evaluation.

The JAMAR/Speed trailer is currently located on Lava Flow in Santa Clara, 200 N 300 E. in Ivins and Red Mountain Dr. in Santa Clara

ANIMAL CONTROL

Our shelter has had lots of dog adoptions this month. We have had a good number of snake calls in our area. We have had many kittens that need to be bottle fed brought to the shelter. We have found a few of our kittens foster homes. The other kittens are at our shelter and our great team of animal control officers is taking turns in taking these babies home to get them the care they need. If anyone feels a need to foster kittens, please help our shelter babies.
