Finance Report
for
Public Safety Vehicle Purchase

Date: ***August 15, 2019***

Purpose: ***Purchase of One (1) 2020 Ford F-150 Supercrew for the Public Safety Department***

Recommendation: ***Approve the Purchase***

Background:

The Law Enforcement Budget includes the purchase of two (2) new vehicles. The department would like to purchase one (1) of the vehicles at this time. These activities are in line with the fleet replacement program that has been compiled by the department, finance director, and the city manager.

The City can purchase the Ford F-150 Super Crew (V8) for $35,261 on state contract (the quote is attached). The vehicles will take about two (2) months from the time of order to delivery. This is within the budgeted amount.

Staff recommends the City Council authorize the purchase of the new vehicle for Law Enforcement.

Respectfully,

Lane Mecham
Director of Finance
