Public Safety Department
August 2019 City Council Staff Report

POLICE

This has been a busy month. The last month and a half we have had several vehicle burglaries which have taken place, however with the assistance of Washington County Sheriff's Office, Detective Tobler was able to gain a search warrant for a vehicle of an individual we believed to be involved in the burglaries. During the execution of the warrant Detective Tobler was able to locate many of the items taken from the burglaries, and the suspect was arrested.

Heroes and Hotdogs was a successful event out at Fire Lake Park. We served over 300 hotdogs and gave out a freezer full of ice-cream and popsicles. The event cost the department about $32 in food thanks to many donations from Team SURGE/ Nicole Briggs & Robert Kirkland @ Keller Williams Realty and Harmons. We are now starting to gear up for Heritage Days and Swiss days.

School is back in session, and both Officer Ward and Officer Ray are back as our SROs.

Detective O'Bray and K9 Copper are making plans to visit every school in our area. Also, K9 Copper appeared at the movie night Saturday, August 24th in Sant Clara City with Animal Control and also had a small booth to show off some of our shelter animals.

We have a great staff of crossing guards who have returned this year. We even have a couple reserves to help out.

We hired a new Police Officer, Jesse Hall. He graduated from Utah POST academy in 2019 and will be a great addition to our staff.

ANIMAL CONTROL

Our shelter has had some bad luck. Our cats have caught a bad virus. All our cats are currently on quarantine until we can get this cleared up. We are getting great vet assistance from our local vets. They have helped us immensely.

DOGS:

- Intake 20
- Reclaimed 11

- Adopted 3
- Sent to Rescue 4
- Euthanized 0
