# **Santa Clara-Ivins** Fire & Rescue

Serving the Citizens of Santa Clara and Ivins Utah

## Monthly Update-October 2019

**Trainings-**78 hours of Fire training.
Trainings consisted of ladder skills & deployment on 10/03.
Pre-plan and solar panel familiarization for Harmons on 10/17.

The Recruit Academy has finished Hazmat training and testing.
Our Advanced EMT course has started. There are 8 students in class. We have several of our own personnel as instructors. The class will run through January.

**Events-** Our annual Open House for Fire Prevention week took place on October 10. We had approximately 200 children and parents who visited the Fire Station. We had the Safety house and other activities to teach fire prevention. We have been busy this month with several Fire prevention and Educational events. We participated with an Ambulance and Fire Engine for Red Ribbon Week at Vista School. We also participated in Rocky Vista University's Fall Festival. The Police will be hosting a Halloween event at their office in Santa Clara. We have been invited to participate.

**Wildland-**There were no wildland fires to report in October. The Seasonal Employees finished September 25. All fire responses have been billed. We are currently putting together a Basic Wildland course for 2020.

**Other-**We are currently in our Open Recruitment process. We are accepting applications and interviewing Volunteers for the 2020 Recruit Academy. We have accepted 5 new volunteers so far. The training will begin in January.

We are offering CPR Heartsaver classes to the community. Cara has taught two classes this month and a follow up First-Aid course will follow. Information is on the city website.
