IVINS CITY

UTAH

Request for Ivins City RAP Funds Designated for the Arts

In 2014, Washington County voters approved a County-wide Recreation, Arts and Parks ("RAP") tax imposed as a one-tenth of one percent (0.1%) sales tax. By Resolution 2015-03R, Ivins City Council determined that the City's share of the County RAP tax revenues generally would be distributed in equal one-third shares between recreation, arts, and parks.

To apply to the City for RAP tax funds for the arts[1], an eligible applicant must complete and submit this application, including all delineated attachments, to Ivins City Arts Commission 55 North Main Street, Ivins, Utah 43728 by **December 31st** of each year. **Tax-exempt organizations proposing projects within Ivins City and Ivins City are eligible to apply for City RAP funds designated for the arts.**

Applicant's

Name: UTAH PUBLIC LANDS ALLIANCE

Physical Address: _____

Mailing Address: PO BOX 2508

Phone Number: 435-512-9039 Fax Number _____

E-mail Address: SCOTT GALBRAITH - SCOTTGALB@GMAIL.COM

How long has applicant been in existence: 5 YEARS

Amount of RAP tax funds requested: $ ~~$7,990.00~~ modified to $4,000 01/08/2020

Describe the project (i.e. "proposed project") for which RAP tax funds are requested.

See attached

Describe the proposed qualified project expenses to be paid for with RAP tax funds.

See attached

IF applicant has received RAP tax funds within the past three years, provide an accounting of how prior RAP tax funds were spent.

None

[1] As used in this form, "RAP tax funds" or "RAP tax" refers only to the portion of City RAP taxes Ivins City Council has designated for the arts.

RE: RAP Fund Request

Dear Arts Commission Members, Councilmembers, and Mayor,

The city of Ivins currently has as lit star resting on an old water tank pad above the animal shelter, shone during the winter holiday season. This is a great seasonal piece of art that the Utah Public Lands Alliance ("UPLA") members, along with Ivins City's residents, enjoy. As great as this piece of art is, its visibility is greatly diminished by surrounding trees, buildings, and viewing angles. Only from a few locations can the star be fully seen. We're requesting $7,990 for materials and permission for UPLA members and volunteers from the community to reposition the star higher on the mountain on Ivins City property. Included with this request is an image of what the star would look like, the proposed site location, a breakdown of costs, and entity details for UPLA (financials, etc.).

Proposed Project

The current star is a basic 5-point star, lit by lights to show the shape at night. The UPLA is proposing to change the shape of the star to 4-point start with an elongated bottom point and putting the shape on two axes, one axis facing north/south and the other facing east/west. This redesign, along with the repositioning, will make it viewable from nearly any point in the City.

Timeline

The UPLA would coordinate volunteers to carry materials to the location, assemble, and maintain the structure. This is a significant matching contribution considering that it will require welding, wiring, and other specialized work to make it a low-maintenance, quality piece of public artwork. We estimate that the project will be completed at the end of summer 2020, just in time for the holiday season.

Maintenance

UPLA volunteers will raise and lower the star each season, just like it is now, except currently the City pays its staff to do this work. Because the design is solar, and the materials are very durable, there is virtually no maintenance on the project beyond the annual raising and lowering of the star. What maintenance there is however, will be covered by volunteer funds and hours.

Public Benefit

The Arts portion of the RAP funds are meant to benefit the community and we cannot think of any project that would benefit the broader community than this project. It can literally be enjoyed by the whole community on a regular basis during the holiday season.

Ivins City Red Mountain Holiday Star

Materials List and Budget Cost	Materials Only Budget
Center Post: 31.5' of 3"x3"x3/16" Tube Steel	$ 750.00
Cross Beams: 48' of 2"x2"x3/16" Tube Steel	$ 1,300.00
Galvanized Steel 3/8" stranded Wire: 350'	$ 350.00
Turnbuckles: 12 (worst case, probably could use less)	$ 40.00
Swaged cable ends: 20 (worst case, probably could use less)	$ 50.00
Gusset Plate: 1/4" thick steel sheet of 18" x 36" to cut up into gussets	$ 140.00
Plate to manufacture Base Hinge: 12"x24" to be cut up into pieces, 1/2" thick steel sheet	$ 200.00
Tie Rods: 8 rods, 1/2" steel with eye bolt, each are 5' long, we can just weld to gusset plates so we don't need threads.	$ 160.00
Eyebolts – Probably need 12 to be welded into frame at several locations.	$ 25.00
Rock Anchors: 1/2" – Need 4 for all locations Location 1: Base Hing Location 2: Hand Winch Location 3 & 4: North Side Guys	$ 50.00
Hinge Bolt – 1" diameter	$ 30.00
Screw Jack Pipe supports – 5 locations to support star off the ground when down.	$ 300.00
Gate Hinges – 4	$ 20.00
Hand crank Winch (2500 lb. capacity) on a 3' stand.	$ 250.00
Locks	$ 25.00
LED Light strands – 300 lineal feet	$ 300.00
Solar Installation - Panel, Batteries, Conditioner, Enclosure	$ 2,500.00
Coatings	$ 1,000.00
Contingency	$ 500.00
	$ 7,990.00
