Authorized for submission to City Council by Arts Commission on 12/11/19

Ivins City 2019 RAP Tax Fund Request

In 2014, Washington County voters approved a County-wide Recreation, Arts and Parks ("RAP") tax imposed as a one-tenth of one percent of generated sales and use tax revenues. By Resolution 2015-03R, Ivins City Council determined that the City's share of the County RAP tax revenues generally would be distributed in equal one-third shares between recreation, arts, and parks. Ivins City Arts Commission is authorized by City Ordinance No. 2019-05 to apply, on behalf of the City, to use some of the arts-designated RAP tax revenue. In accordance with Section 4 of City Resolution No 2015-03R, the City, like any other applicant, must submit a "Fund Request in December". The AC submits its request in accordance with the application process adopted by the City Council on June 20, 2019, via Resolution No. 2019-15R.

How long has applicant been in existence? Ivins City since 1998, formerly a town; Ivins Arts Commission since December,2015.

Amount of RAP tax funds requested: $ ~~3,335.00~~ modified to $2,000 01/08/2020 JK

Describe the project (i.e. "proposed project") for which RAP tax funds are requested.

At its October 17, 2019, meeting, the City Council approved, with minor amendments, the Arts Commission's ("AC") proposal for a student art exhibit and competition. The AC planned to work in co-operation with Vista School, Red Mountain Elementary and Tuacahn High School. Since that meeting, the Arts Commission has identified a process for involving those students who live in Ivins, but are home-schooled or attend school outside of Ivins. In order to make the most of this experience for the all participating students and visitors, appropriately exhibit the student art and avoid damage to Town Hall walls, the AC asks for a small portion of the City's RAP tax funds for the arts to purchase and affix hanging and lighting systems in the Town Hall main conference room. These systems also could be used to exhibit and enhance maps, plans and other information at other meetings held in the Town Hall, including City Council meetings. As the systems will be removable, each could be incorporated into any design for the new Town Hall.

Describe the proposed qualified project expenses to be paid for with RAP tax funds.

City RAP funds would be used for the purchase and installation of the hanging and lighting systems.

IF applicant has received RAP tax funds within the past three years, provide an accounting of how prior RAP tax funds were spent.

The Arts Commission previously has not requested RAP funds.

Provide other information, if any, reasonably related to determining how RAP tax funds will be spent by the applicant.

The AC will expend RAP tax funds awarded to it solely in accordance with the below budget in order to enhance the exhibition of student art. By displaying student art in Ivins Town Hall, the blank walls for the building will come to life and become one means of bringing art to the public while honoring young artists. The proposed student art exhibit and competition are consistent with Goals 2 (site selection) and 3 (public funding) of Ivins City's Art Master Plan.

Submit the following as part of this Application:

***Detailed cost estimates of the proposed project:** Below assumes 80 linear feet of wall space

1. Artwork Hanging System: Estimated $1,360.00

Hanging Track $400

Hanging Rods/Cable $400
