RE: RAP Funds Request

Dear Arts Commission Members, Councilmembers, and Mayor,

This year's available RAP funds were $38,527. Tuacahn and Kayenta Arts Foundation have both been allocated $10,000 of these funds, leaving $18,527 to be distributed or used by the City. We respectfully request the remaining Recreation, Arts, and Parks (RAP) funds be used for artwork for the new City Hall building.

Background

The Staff believes it's appropriate to commit the remaining balance to pay for artwork in the forthcoming City Hall. Stakeholders in that process have expressed a desire for pieces of artwork to be included with the new building. While that cost and project is uncertain at this time, staff believes it would be prudent to commit the remaining portion of those funds now, in anticipation of a piece that will exceed funds available in future years' RAP funds.

City Hall Artwork

Several of the stakeholders involved in the design of the new City Hall have expressed interest in pieces of art for the new City Hall. Some suggestions, for example, have been of a statue of Anthony W. Ivins and pieces from local artists for the interior. There will likely be additional interior and/or exterior pieces which are unknown at this time. We request the remaining balance of funds be set aside to offset the costs of those pieces and reduce the financing need for City Hall-related costs.

Sincerely,

Lane Mecham
