MINUTES
February 20, 2020

1) WELCOME AND CALL TO ORDER

MAYOR AND COUNCIL: The meeting was called to order at 4:00 p.m. and announced there was a quorum present.

All present included Mayor Hart, Council Member Mehr, Council Member McDonald, Council Member Johnson and Council Member Gordhammer.

STAFF: City Manager/Attorney Dale Coulam and City Recorder Kari Jimenez

EXCUSED: Council Member Elliott

A. Acknowledgement of Quorum

Mayor Hart acknowledged that there was a quorum present. Council Member Elliott was excused.

2) WORK MEETING

A. View entrance sign design examples on site at the east entrance of Ivins City on Highway 91 and at the west entrance of Ivins City on Highway 91 near the entrance of Fire Lake Park/Ivins Reservoir

The individuals who were present drove to the site at the east entrance on Highway 91. Representatives from YESCO Sign Company were on-site and displayed a printed mock-up sign, representing the Ivins entrance sign at that location. Those on-site viewed the mock-up and then traveled to the west entrance of Ivins City on Highway 91 near the entrance of Fire Lake Park/Ivins Reservoir. Representatives from YESCO Sign Company also traveled to that site and displayed a printed mock-up sign, representing the Ivins entrance sign at that location. The consensus of the **Mayor and City Council** was that the lettering should be smaller for the sign located at the east entrance on Highway 91 and that the length of the base should be reduced to be proportionate with the lettering but that they would leave that up to the sign professionals. The **Mayor and City Council** agreed that the sign size and lettering of the sign at Fire Lake Park/Ivins Reservoir was fine as shown. They determined that the words "Welcome to Fire Lake Park" should be placed on the backside of the sign. Placement of that sign is to be on the east side of Highway 91 and that the location would be determined based on where Highway 91 will be widened to, where the turn lane will be and how far north the turn lane will go. The Public Works Director/City Engineer, Chuck Gillette, will let the Council know where that sign can be placed based on those things.

The Mayor, City Council and all other attendees returned to Ivins City Hall.
